CHILDREN OF DIVORCE AND CHANGING FAMILIES

This support group assists all family members (including never married parents) in the difficult transition through separation and/or divorce and in the formation of a step-family. The eight (8) week group consists of age-appropriate activities for children (3 to 18) and one parent. This helps facilitate open communication among family members to guide them through the family change process.

DIVORCE RECOVERY GROUPS

Divorce Recovery Support Groups are for anyone ending a relationship (divorced/separated/unmarried) and in need of support in the process of this transition journey. Groups are 8 weeks in length and are closed to signups after the second week. The groups are led by trained volunteers who themselves have experienced the divorce process. Divorce Recovery is a non-sectarian program and wishes to thank our many host sites that graciously allow us to use their facilities.

DIVORCE RECOVERY I

This group addresses the beginning of the "Endings" process. The goal is to help you accept the end of your relationship. There is a \$70 fee that covers the 8-week session. The fee can be paid all at once up front or spread out through the eight weeks. We will not turn anyone away that cannot afford the fee but do ask to give what you can. Enrollment is closed after the 2nd week. **Please send an email that includes your name, phone, and email address in order to be signed up for the online group. You will be sent an invitation to join the group.**
